### Here are some important things to know:

- **Be on time:** Please make sure to be punctual as we don't wait for latecomers.
- **Dress up:** It is always better to dress up and you can never be overdressed here. However, it is not recommended to wear high heels.
- **Tipping:** Please consider tipping 10% at restaurants and bars.
- **Sharing tables:** If you are sharing a table with others, it is important to discuss the billing arrangements beforehand to avoid any misunderstandings. For example, if you are sharing drinks like wine or water, make sure to clarify how the bill will be split. In some cases, it may not be possible to pay separately, so one person may need to pay the entire bill. It is also recommended to settle the bill before leaving the venue.
- **Hotel Bar payments:** If you order at the hotel bar, please note that you can only pay in cash (Euros).
- **Respectful behavior:** We are not the only guests at the hotel, which is owned by a lovely family. Please be considerate and keep noise levels down when returning from parties. If you want to relax outside, you can do so on the beach beds at the hotel.
- **Good vibes only ;)**
